To make the Table Runner: From the panel, carefully cut out a rectangular panel design, 14 1/2" x 5 1/2", centering the design.

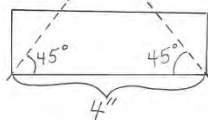

Carefully cut out 2 pieces of the border, each 16 1/2" x 3, centering the design.

From the red snowflake fabric, cut out 2 strips each 1 1/2" x 5 1/2" and sew to sides of rectangle panel design. Cut 2 strips each 1 1/2" x 16 1/2", sew to top and bottom of panel design.

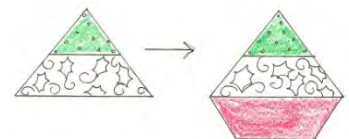

Sew snowman borders to top and bottom of rectangular panel design unit.

Make the blocks: From green polka dot, cut 12 squares, each 1 7/8", then cut in half diagonally to make 24 triangles.

From cream holly AND red snowflake, cut 24 rectangles (total of 48), each 4" x 1 1/4". Trim ends at 45 degree angle as shown below.

Sew green polka dot triangle to cream holly to form triangle. Sew red snowflake to cream holly to create unit A:

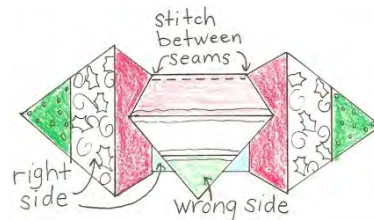

Fussy cut 6 squares, each $1\frac{7}{8}$ ", from light blue novelty animal print, so that animals are centered in the diagonal (diamond shape) of the square (see cover photo).

Sew 2 unit A's to opposite sides of the square.

Sew 2 more unit A's to remaining sides of square, just in between seams.

Sew corners (unit A edges) together to form block (Y seam).

Make 6 blocks as described above.

Sew 3 blocks together into a vertical row, repeat with remaining 3 blocks.

From cream holly print, cut 4 strips, each 2 " x $12\frac{1}{2}$ ". Sew 2 of the strips to the sides of the table runner. Sew block rows to either end of table runner. Sew remaining 2 cream holly strips to sides of table runner.

From green snowflake print, cut 2 strips each $1\frac{1}{2}$ " x $12\frac{1}{2}$ " and sew to sides of table runner. Cut 2 more strips each $1\frac{1}{2}$ " x $32\frac{1}{2}$ " and sew to top and bottom.

Make prairie points: from red polka dot, cut 8 squares each 4 ". Fold in half diagonally right sides out and press. Fold in half again and press. Place 4 prairie points at each end of runner on right side of runner, with raw edge of prairie points aligned with edge of runner. Leave $\frac{1}{4}$ " at top and bottom edge of runner. Pin in place, then sew to runner. Flip prairie points over, so that seam is on wrong side of runner and press (see diagram at right).

Cut backing fabric $14\frac{1}{2}$ " x $32\frac{1}{2}$ ". Place on table wrong side up. Cut batting $13\frac{3}{4}$ " x $31\frac{3}{4}$ " and center batting on wrong side of fabric. Place table runner on top, right side up (prairie points will extend beyond edges of backing fabric).

Quilt as desired, leaving outer $\frac{1}{4}$ " of runner unquilted. Turn under top and bottom edge (raw edge) of table runner $\frac{1}{4}$ " & press. Turn under raw edge of backing fabric, so that it covers batting and is even with edges of table runner. Hand stitch edges of backing to table runner.

To make the Placemats: From cream polka dot, cut 8 squares each $2\frac{3}{8}$ ", then cut in half diagonally to make 16 triangles.

From both green polka dot AND red snowflake, cut 16 rectangles (32 total), each $1\frac{1}{2}$ " x $5\frac{1}{2}$ ". Trim ends at 45 degree angle (see above diagram).

Fussy cut 4 squares, each $2\frac{5}{8}$ " from light blue novelty animal print, centering animals in each square.

Assemble 4 blocks ($6\frac{1}{2}$ " each) as described in directions above for table runner, referring to cover photo for color placement.

From cream polka dot, cut 8 strips each $2\frac{1}{2}$ " x $6\frac{1}{2}$ " and sew to sides of blocks. Cut 8 strips each $2\frac{1}{2}$ " x $10\frac{1}{2}$ " and sew to top and bottom of each block.

From panel, carefully cut "LOVE JOY PEACE NOEL" border into 4 pieces, each $2\frac{1}{4}$ " x $10\frac{1}{2}$ ", centering words. Sew border to bottom of each place mat.

From red novelty animal print, cut 8 rectangles each $4\frac{1}{2}$ " x $12\frac{1}{4}$ ". Sew to sides of place mats.

From green snowflake, cut 8 stripes each $1\frac{1}{2}$ " x $12\frac{1}{2}$ " and sew to sides of place mat. Cut 8 strips each $1\frac{1}{2}$ " x $20\frac{1}{2}$ " and sew to top and bottom of place mats.

Quilt as desired. Bind with green snowflake fabric.
